

Dorothy Cleveland Trail

Location: 8212 Possession Road, Clinton
Trail located within Possession Beach Waterfront Park

Parking: 11 spots

Difficulty: Challenging

Trail length: 3 miles round trip

Amenities: 

This trail is a serious hike, rising 392 feet in less than three-quarters of a mile. But in the fall, it offers a glorious kaleidoscope of colorful leaves both on the trail and in the trees. The well-maintained trail has numerous switchbacks making sure the trip up the side of this heavily-wooded ravine requires no climbing, though there is one wooden stairway to ascend. Expect to climb over a fallen tree or two. There is a lookout at the top, but if the trees have leaves, the view is blocked. Enjoy the best views at the beginning and end of the hike at Possession Beach Waterfront Park. This park also has a boat launch.
